Professional Profile

Senior technical leader specializing in frontend engineering with expertise in TypeScript, JavaScript, Python. Proven success in technical vision, team development, and stakeholder management.

Core Competencies

TypeScript · JavaScript · Python · CSS · HTML · React · Astro · Svelte · Figma · Playwright · Jest · ESLint · Supabase · IndexedDB · PostgreSQL · Render · Cloudflare Pages · Vercel · AWS Amplify · Netlify · Responsive Design · Accessibility (WCAG) · Component-Driven Development · Progressive Web Apps · Agile

Professional Experience

Full-Stack Developer at Uber (2022-01 – Present)

- Developed responsive web applications using Playwright, improving page load time by 52%
- Implemented automated testing framework using Playwright, achieving 44% code coverage
- Built interactive data visualizations using Netlify, serving 100000+ daily users

UI Engineer at ModelShip (2021-02 – 2021-12)

- Improved website accessibility score to 50% using Svelte
- Developed responsive web applications using Svelte, improving page load time by 55%
- Built reusable component library using Responsive Design, used by 50000+ developers
- Created accessible UI components using Responsive Design, achieving WCAG AA compliance

Web Developer at Figma (2018-06 – 2020-12)

- Created progressive web app using IndexedDB, increasing user engagement by 41%
- Implemented state management solution using Webpack, reducing API calls by 33%
- Created accessible UI components using IndexedDB, achieving WCAG AA compliance
- Implemented state management solution using IndexedDB, reducing API calls by 67%

UI Engineer at Spotify (2017-02 – 2018-03)

- Developed design system using Firebase, standardizing UI across 50000+ applications
- Integrated third-party APIs using Firebase, reducing integration time by 42%
- Developed design system using MongoDB, standardizing UI across 100000+ applications
- Built reusable component library using Vue.js, used by 50000+ developers

Education

M.Tech. in Computer Science — University of Melbourne (2015)
