■ Education

Date	Institution	Department	Status
2024.09 ~ 2025.06	Seoul National University, South Korea	Computer Science (Machine Learning Concentration)	Student Exchange
2021.08 ~ 2024.08	President University, Indonesia	Computer Science	Bachelor
2023.08 ~ 2024.01	Bangkit Academy led by Google, Gojek, Traveloka, Indonesia	Cloud Computing	Cohort

■ Working Experience

Date	Institution	Title	Description
2025.07 ~ Present	LG Sinarmas	Software Engineer	- Developing Automated SPC Monitoring tools using Python (GUI & console). - Developing SPC+ and Job Portal web application using React - Conducting QA testing and bug tracking for sandbox application
2024.03 ~ 2024.08	PT Mattel Indonesia	Lean Engineer 4.0 Intern	Creating web system and development process using ASP.NET and Power Automate. Collecting, Cleaning and Analysing large data sets to support business decisions Creating Dashboard to monitor key metrics
2023.08 ~ 2024.02	Alibaba Cloud Indonesia	Solutions Architect Intern	Doing Proof of Concept and providing the appropriate cloud products based on client scenarios

■ Skill

Skill	Software	Project
Full Stack	ASP .NET MVC, C#, Power Automate, SQL	Outsource Management System, Nest Sealing Storage Management System, Scrap Notice Management System, PIM Machine Management System.
Big Data	Ms Excel, Python, R, SQL, Hadoop, Power BI, Airflow, Tableau, Looker	Extract, Transform, Load (ETL), Recommendation System, Predictive Analysis, Classification and Clustering

Cloud	Alibaba Cloud, Google Cloud Platform	Server, Database, Storage, Security, etc
-------	--------------------------------------	--

■ Language

Language	Proficiency
Korean	Elementary Proficiency
English	Limited Working Proficiency
Indonesian	Native Proficiency

■ Scholarship

Date	Institution	Title
2024.09 ~ 2025.07	Hyundai Motor Chung Mong Koo	Hyundai Chung Mong Koo Scholarship (Undergraduate Exchange Student)

■ Certification

Year	Institution	Title
2023	Google Cloud Skill Boost	Advanced ML : ML Infrastructure Perform Foundational Data. ML, and AI Tasks in Google Cloud
2024	Alibaba Cloud Indonesia	Alibaba Cloud Certified Associate: AI and Big Data
2025	Udemy	Machine Learning Essentials – Master Core ML concept Apache Airflow A Real-Time & Hands-On Course on Airflow
